

Robins Newsletter

It has been a joy to welcome you all back to school, and I am very pleased to be working with such an amazing, kind class! Thankyou parents for being so welcoming and having patience with me whilst I get to know all of your faces. I am excited to see what this term brings.

What to expect this term!

This term expect to become experts on earthquakes and volcanos with our Extreme Earth workshop on Monday the 8th of September. This term there will be scientific exploration of rocks which fits perfectly with our English book 'The Pebble In My Pocket' by Meredith Hooper. Expect to receive your own pebble, to keep in your trays, which will spark our curiosity and imaginations.

In Maths we will be exploring place value and number, and expanding into the 100's and 1000's!

Other subjects we will be covering include, Art, Music, PSHE, RE and last but not least French!

PE

Our PE day is Friday - please make sure children come to school in their PE kits and school jumper.

Snack

Children are allowed to bring in their own snack for break time, this snack must be either fruit or vegetables (or both). There is free fruit available please see me if you would like more information.

Dates for the diary:

- Term 1 ends - Thursday 16th October
- Term 2 begins - Monday 27th October
- Parent Consultations - Wednesday 15th October
- INSET days - Monday 29th September
Friday 17TH October
- Geography workshop - Monday 8th September
