

Penguins Curriculum Map

Writing

This term our topic is Me in My World. We will be talking about ourselves and our families. In Reception we have a large emphasis on the teaching of early reading and writing. This term we will be focusing on pencil control and name writing. We will practise fine motor skills and activities as a precursor to early writing.

Phonics

In Reception we will be using Read, Write Inc, to teach the children their initial sounds. We will be teaching the children to use their sounds to blend and segment simple words. Children will learn how to make the corresponding letter shapes and then practise writing them using a variety of resources.

Term 1

Learning Journey

Our topic this term is 'Me in my World' We will be looking at how the children have changed from when they were a baby to now and also thinking about how they will change as they get older. We will talk about our families, pets and people who are important to us.

We will also be looking at our body parts and learning about the 5 senses. We will focus on keeping healthy and what happens to us if we are ill and who can help us

Home Learning

This is given out on Fridays to be returned by the following Wednesday.

Maths

In Reception we teach a large amount of our numeracy through practical activities, rhymes and songs and we also use Number Blocks as a starting point to our learning. This term we will be focusing on developing confidence with numbers, through teaching of number recognition and accurate counting of objects.

Reading

Here at Phoenix we love to enjoy and celebrate books. Reading stories is an important part of our day. We will be sharing a range of stories about starting school and families. Please help us with this journey by reading stories to your children. A bedtime book is a treat for all and beneficial for their learning.
