

Robins Newsletter

Welcome back to Term 3! Happy New Year! I hope you have all had a lovely Christmas and enjoyed spending time with your families and friends. It has been wonderful hearing about some of the things you got up to over the holidays. Thank you so much for all of my lovely cards and kind presents – they really made me smile and I am very grateful. I am looking forward to another exciting term of learning together.

What to expect this term!

In English this term, we will be exploring the tropical island of Tobago through our class book Gregory Cool. The children will be focusing on past tense, prepositions and prefixes.

In Maths, we will continue our work on multiplication and division, and we encourage children to keep practicing their times tables using the TT Rockstars app, let's see who reaches the top of the leaderboard this term!

Our wider topic focus is Maps, where we will be using atlases and learning about the Equator, hemispheres, lines of latitude and longitude, and time zones. We will also continue developing our French skills.

We're really looking forward to a busy and exciting term ahead!

PE

In PE this term we will be doing gymnastics. Barefoot is considered best practice for gymnastics and provides the most natural and effective connection to the ground and equipment, allowing the children to perform with maximum control, precision, and safety. However, for some children being barefoot can be a barrier to their learning. If this is the case for your child please ensure they bring grip socks (flip out, ninja warrior) with them to wear on their PE day. Thank you.

Spellings

Spelling tests take place every Friday afternoon. To help your child feel confident, please encourage regular practice using Spelling Shed, which is updated weekly, and the spelling sheet sent home in homework diaries to support learning before the test.

Dates for the diary:

- Term 3 ends – Thursday 13th February
- Term 4 begins – Monday 23rd February
