

Eagles Newsletter

Welcome to Term 6 in Eagle Class- your final one in Primary School (we're not crying, you are!)

What to expect this term!

This term is very busy with lots of events still being added to the calendar-which we will of course keep you updated on. Children will have their transition days to their new schools during this term, please check information from their new school for dates and times of these.

If you can, come and meet your child on their last day at Phoenix- although they think they are too cool to be collected from school, it's still a memory we are sure they will secretly treasure!

Key dates are included in this newsletter to ensure you not miss any of our end of year celebrations

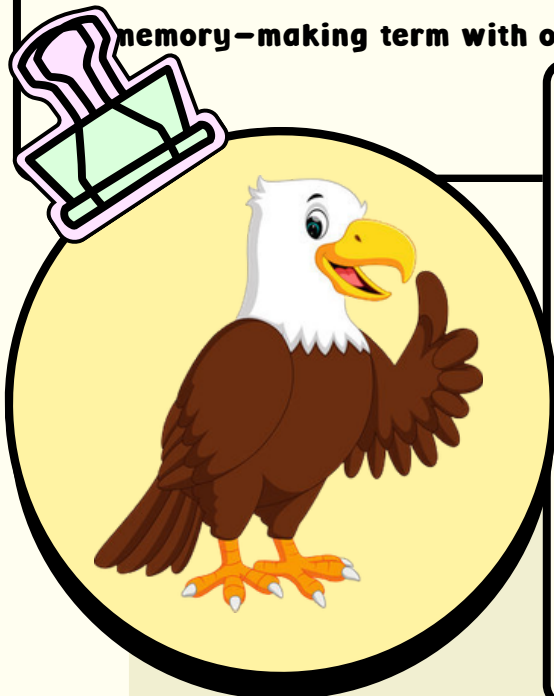

We can not wait to have the most jam-packed, memory-making term with our Eagle Team!

Rewards

Alongside the whole school reward system of house points, Eagle class will continue to earn dojos towards rewards. Children know the minimum points they need to acquire by the set date. RESPECT is our key focus for Term 6- for themselves, peers and adults.

Term 6 is different for Year 6, with transitions to their new schools, rehearsals and other exciting events. Children who are not respectful, will unfortunately, miss out on these events.

Dates for the diary:

- 10th Sports Day
- 11th June Class Photos
- 18th June-Safety in Action trip
- Week commencing 29th June-Transitions to secondary school- please check with them to confirm.
