Creating opportunities for everyone

3<sup>rd</sup> March 2020

Dear Parents/Carers,

As part of improving the way we are teaching your child Maths Pelicans would like to invite you into class to join them with their learning. This is an opportunity for you to learn alongside your child.

This session will take place on Tuesday 17<sup>th</sup> March between 9am and 10am; we will be focusing on place value.

For this to be effective we will split the class into two groups; one will complete the Maths learning in class between 9 and 9.30am while the other group will be based in the library sharing a book with their child and then between 9.30am and 10.00am the groups will swap over allowing everyone the opportunity to undertake both activities.

Unfortunately due to space restrictions siblings will not be able to attend this session. We apologise for any inconvenience this may cause.

Please complete and return the slip below to let us know if your child will be joined by an adult for this activity.

Thank you for your continued support.

Yours sincerely,

Chris Johnson  
Headteacher
