

## Science

In science this term we will be learning about plants.

We will be labelling, identifying and growing different types of plants.

We will be focussing on plants and trees in our local area.

We will also be looking at the difference between wild and garden plants.

## English - Reading

Our text this term is called, "The Lonely Beast". To compliment this, we will be reading a variety of stories in class. These should be inspiring and encourage the children to be imaginative. We will also be reading a variety of non-fiction texts and poetry throughout the term. We will continue to practise our phonics daily in our whole class sessions, as well as our daily reading sessions where each group will have a reading for pleasure session to further encourage a love of reading.

## English - Writing

We will be spending most of the term completing tasks around the book, The Lonely Beast. We will revise what a sentence is and look at different punctuation. We will continue to improve our writing by adding 'joining words' like and, so and but. We will write a diary entry, a Newspaper article and a short story. There will also be many other opportunities to improve our writing.

## Geography

### Land and Water

What continents make up the world?

Where in the world are the oceans?

How are the oceans different from each other?

## Music

With Nick  
This term we will be focussing pitch and tempo. We will be exploring this through the theme of superheroes!

## PELICANS Term 5 2024 Land and Water

## RE

The focus for the Summer term will be Islam.

## PE

This term, Team theme are teaching multi skills with a link to athletics.

## PSHE

### Relationships

This term we will be exploring different types of relationships in PSHE. We are starting with families, moving onto friendships, all whilst encouraging self-love and respect.

## Maths

Throughout term 5 we will be looking at multiplication and division. This includes counting in 2's, 5's and 10's, doubling and sharing into groups. We will also be learning about fractions. Specifically halves and quarters. Please can we be using DoodleMaths at home to aid the embedding of our maths learning in class. 5 minutes per day helps massively with their learning!

## Art

In Art this term our focus artist is Vincent Van Gogh, specifically his painting Starry Night. We will be using painting and printing techniques to create a landscape painting.
