

## Science

This term we will be finding out more about humans – the importance of exercise and a healthy diet.

We will then be discovering more about different everyday materials such as wood, plastic, metal, bricks and rocks.

## Reading

This term we will be focussing on retrieving information from a text (Retrieval). We will also be working on giving reasons why an event has taken place or why characters feel the way they do (Inference).

## English Text –

Our text for the term is Halibut Jackson written by David Lucas.

In our writing we will be focusing on full stops, capital letters, nouns, adjectives and conjunctions.

## Year 2: Term 2

## Power and Empire

## History

This term we will be discovering castles. We will be looking at what a castle is and why they are useful and what parts make up a castle.

## Computing

This term we will be learning how to navigate a keyboard and develop our word processing skills

## RE

This term we will be continuing to focus on the question:

Who is a Jew and what do they believe?

## Design Technology

This term we will be looking at freestanding structures to design and create a throne.

## Music

This term we will be learning about different instruments that make up different sections of an orchestra as well as creating our own music.

## Maths

This term we are continuing to focus on adding and subtracting. We will be learning to exchange tens and ones and adding two 2-digit numbers together.

We will then be moving onto 2-D and 3-D shapes. We will be learning about symmetry and learning to count faces, vertices and edges on different shapes.

## PE

This term the children will be learning the skills to play TAG rugby.
