Creating opportunities for everyone

8th March 2021

Dear Parent/Carer,

As part of this terms topic Flamingos are going to be recording a Music video to demonstrate the performance of body percussion. The human body is the original musical instrument and the only instrument that every student possesses. Using the body in this manner gives students a direct experience of musical elements, such as beat, rhythm, and rhythmic skills.

This video will be edited by our music teacher Mrs Davis and then shared externally including on the school Facebook page, Twitter page and Website.

In order for your child to take part in this activity can you please complete and return the permission slip below.

Yours sincerely,

Mr Chris Johnson
Headteacher
