Creating opportunities for everyone

28th April 2021

Dear Parent and Carer,

This term Flamingos are covering a number of lessons focused on being healthy and understanding cultural differences.

As part of these learning experiences, we would like to experience healthy meals related to our class's diverse backgrounds. As a school, we are always looking for opportunities to widen our children's understanding of other cultures and beliefs.

With this in mind, we would really appreciate your support in this task. If possible we would like you to come into school to help guide the children on how to make a meal, based on your cultural background. The class teachers would provide support to the class as you show them how to make it, the children will be a part of making the meal. We would be more than happy to supply the ingredients, based on your desired recipe; please provide us with a list as soon as possible.

We would like to carry out the task one afternoon during the last two week of this term, between Monday 17th and Friday 28th May; please list which dates you are able to come into school.

If you are able to support the class with this activity we would be most grateful for your support. Please complete and return the slip below as soon as possible.

Yours sincerely,

Mr Chris Johnson
Headteacher

Year 5 cultural meals acknowledgement slip

Child's name

Please tick one box only:

I would be happy to teach the children how to create a meal. I am available for the following

dates:

I am unavailable to help teach the children.

Signed Name of parent/carer
