21st September 2020

Dear Parent/Carer,

We would like to take part in some Maths booster sessions as part of our 'catch up' programme to ensure children get back to where they should be. These will take place every Tuesday and Wednesday morning from 29th September to Wednesday 16th December 2020.

These sessions will start at 8.00am sharp and so your child can either eat their breakfast at home before they arrive at 8.00am or we will provide them with a free breakfast at school but they will need to be at school for 7.45am to allow them time to eat before the session start.

These sessions are for a small group of Year 6 children to help them prepare for their SATs tests in May and gives them the best opportunities to do well in secondary school. If your child has a sibling please speak to us as we may be able to help with breakfast club for both children.

Please complete and return the permission slip below as soon as possible. If your child will not be attending please let us know so their space can be offered to another child. Please also indicate whether your child will be joining us for a free breakfast so that we can ensure we have plenty of food!

Yours sincerely,

Mr Chris Johnson
Headteacher

Morning booster sessions – Year 6

I would like my child to take part in the morning booster sessions every Tuesday and Wednesday between 29th September 20 and 16th December 20.

I understand they will need to be ready to start at 8.00am

Please circle 'Yes' against one option:

- I will provide my child with breakfast before they arrive at school. Yes
- My child will have breakfast at school at 7.45am. Yes
- My child will not be attending the booster sessions. Please offer to another child Yes
