

Phoenix Community Primary School

15th March 2024

We are sad to say Mr Bebell will be leaving us today. We would like to thank Mr Bebell for his amazing work with the children of Phoenix and we wish him every success in his new role.

Once again, we must thank you for your generous donations. Today, in the 'wear something red collection, we raised £118.70

The school council have worked hard on raising funds for this worthy charity by organising the bring and buy sale. Total money raised will be displayed next week .

Our wonderful PTA have arranged a **Bake and Donate** event. This will take place next Monday 25th from 2:15pm onwards. You can buy a slice of cake, tea or coffee. There will be an opportunity to buy raffle tickets at £1 a strip.

There are two prizes up for grabs in should you enter the Bake and Donate competition.

- One prize for best taste
- One prize for best presentation.

As we are a nut free school, we have to ask that no nuts are used in the baking or decorating of your bake. When you donate your bake, please leave a list of ingredients used. We look forward to seeing, tasting and enjoying your baked delights

If you need to report your child absent please email office@phoenix-primary.kent.sch.uk

Attendance this week

Learning at school is like building a skyscraper. Each day builds a new floor to the building.

First, we have to lay the foundations. They have to be secure. Without secure foundations of learning (good attendance at school), children will have gaps in their knowledge.

Our curriculum is very much like building a skyscraper. Each day a new brick (piece of knowledge) is laid. This knowledge is built upon day after day and then year after year.

When children have gaps in their learning, there is a chance that they can feel anxious and potentially disengaged from their curriculum.

Being in school every day will ensure that your child/ren reaches their full potential and beyond.

Attendance matters. It builds tomorrow's future today.

Illness/sickness and diarrhoea

If your child is ill and unable to come to school please ensure you call the office and leave a message (24-hour answer machine available). If they have a bug (sickness or diarrhoea) which they could pass on to another child they will need to stay at home for 48 hours; if they are sick for any other reason (i.e. headache) they should return to school as soon as they feel well enough.

Holiday requests/penalty notices

All holiday leave requests will need to be made in writing to the Headteacher. Following KCC guidance and the School's Attendance Policy leave will only be authorised in exceptional circumstances. Any child whose attendance for the past 12 months is below 95% will be monitored regularly and letters will be sent home. Having 6 days a year off will take your child's attendance below 95%. This will have a negative effect on their learning.

School trips

At Phoenix we like to give the children as many varied learning opportunities as possible and this includes class trips which are only possible because we are lucky enough to have our minibus. Obviously, school trips involve extra costs which puts a strain on the school budget but by having our minibus does mean the cost of all trips at kept at a minimum. However, to allow trips to take place we do have to ask parents/carers for a voluntary contribution towards these events. We understand that times are hard but unfortunately without these contributions we will not be able to provide class trips. Contributions can be paid via Parent mail or by cash at the office and can be made in instalments. If you need a longer period to fulfil the contributions please speak to a member of staff who will arrange this for you. Thank you for your continued support.

PE Kits

Wednesday Year 5 and 6. Friday Year R, 1, 2,3 and 4.

Please ensure that your child comes to school in their PE on their allocated day. **Children need to wear their house PE top, school sweatshirt and plain black joggers/shorts. Earrings must be removed for health and safety purposes. This should happen at home.**

No jewellery – in the interest of safety please ensure that NO child comes to school wearing any type of necklace, bracket or hooped ear-rings. **Our staff are unable to remove or replace earrings.**

Email Communication

All letters and messages will be sent to you via Parent Mail so it is important that we have your correct email address. If you need to amend or add a second email address, please let us know.

School hours

Gates are open between 8.40am and 8.50am. Any child arriving at school after this time will need to enter through the main office. Any child arriving after 9.00am will be recorded as 'unauthorised'.

Home learning

This is sent at the end of every week via the Seesaw Family App. Once you sign in you will have a message in your Inbox from the class teacher. Please open the message to see all the homework set i.e. Doodle, Spelling Shed and writing homework.

Each week the class teacher will set writing homework. The writing task will always reflect the skills the children have been learning in class that week.

Your support with this will help your child build on their learning!

School meals

School meals are provided by Contract Dining company. As a business they do not offer credit and therefore all meals MUST be paid for in advance. Meals cost £2.53 per day and can be taken any days needed (no need to book in advance). Any issues with payments please contact them direct on 07908 662878 or email Hilde at hilde-marie.smith@thecontractdiningcompany.co.uk.
